Brushline / Urban Linen

A refined fusion of expressive brush movement and structured urban texture. Organic strokes flow across a grounded surface, where layered marks meet architectural depth. Controlled yet spontaneous, it captures the balance between raw artistry and modern sophistication.

Loop Fabric / Pixel Weave

A seamless blend of woven fabric texture and fluid looped forms, reinterpreted through a pixelated surface. Soft rhythms of interlocking shapes create a continuous flow, while subtle digital grain adds depth and modern clarity. Where tactile warmth meets structured repetition, forming a refined and contemporary textile expression.

Aurora Stripes / Grainy Mist

Inspired by atmospheric light and natural transitions, this design combines soft gradients with a fine grain texture. Layered tonal shifts create depth and dimension, while the plain structure provides a clean and versatile foundation. A modern composition that brings calm movement into the interior.

Marmo /Linen Code

Textured marble patterns are reinterpreted through a structured linen surface, enhanced by a soft shimmering finish. The interplay of matte and light-reflective elements creates visual depth, while the composition remains calm and grounded. A contemporary blend of natural inspiration and refined textile detail.
